

Circle of Champions Assignment

Revised 1/16/25

Overview

The Circle of Champions assignment is a required project in this course. It is worth 5% of your overall course grade.

I have incorporated this project with the belief that it will help you succeed in this course, in your academic journey at Gavilan College, and may help you decide if a STEM discipline and career are right for you. The assignment entails participation in a program called the Circle of Champions Network (www.myCircleofChampions.com).

If you are doing this assignment in another course you are allowed to complete the one assignment and receive full credit in the other course(s).
